Message from the Chapter Advisor:

I would first like to welcome Evan Lospennato and Mark Bergeron to our chapter. The degree work went very well and everyone did a great job and because of all the hard work our chapter has grown by 2 ... but let's not stop there!! I have scheduled another 1st degree for Saturday November 15th. We have 1 petition in already that we received at the Open House and I hear that there are more to come. PLEASE get those in by November 1st! I know that Erick's friend wants to join, I know that Sean has one person, I know that Nick has one person and Derrick has one person. That is 4 more members to add to our total if we can get their petitions on the 1st. As November approaches, there are several events that need participation from every chapter member. The first on is the Haverhill Santa Parade on Sunday November 23rd. The more members we have in the parade the better we look to the community. The second one is the annual Christmas Wreath fundraiser. We need every chapter member to sell wreaths. This fundraiser helps to pay for all of the events that the chapter does. The more you sell, the more events you don't have to pay for. The advisor should not be selling the majority of the wreaths, the members should. This being said, there will be some work parties at Dad Rick MacInnis's house to get the materials ready so he can make the wreaths. It is usually on a Sunday and involves pizza and a football game. We need everyone to help out with that. We will be having the election of officers on November 1st, so please show up to that meeting and vote for your new councilors for the next term. November is a very busy month and I hope that all of you will make the effort to attend as many chapter events as you can.

Fraternally,
Dad Justin Prescott
