Khrystian Wildes, Master Councilor

Dad Justin Prescott, Chapter Advisor

Message from the East:

No Message!

Message from the Chapter Advisor:

With September behind us and everyone settled into their school routine, we now have some work to do. October 18th will be a first degree ... so please start learning your part(s). Hopefully we'll have some petitions coming in on Saturday to read up. Candidate(s) or not, we will be performing the first degree. I hear that we may have 8 new members on the way, please work on getting them in. Invite them to the Masonic Open House on October 18th. We will have a DeMolay booth set up for prospective members to browse through material and meet the members of the Chapter. Letters of intent to run for an elected officer for next term need to be handed in on Saturday October 4th. If you have any questions about running, please let me know. Remember what I stated at the last meeting, starting January 1st of 2009 every member must have an obligation card in order to hold any office, vote on new members or activities and participate in any sports activities. New members will have 6 months from the date of their DeMolay degree to learn both obligations. We need to start raising the bar with everyone and make them feel a better part of the Chapter. Learning your obligations ties you more closely to the organization as well as to your fellow members. If you need any help learning the obligations, please ask ... we are here to help. I look forward to see you all on October 4th.

Fraternally,
Dad Justin Prescott
