

The Poet

A Publication of J.G. Whittier Chapter, Order of DeMolay

April 2009

Please Share this publication with your parents!!

This publication acknowledges authority and yields allegiance to DeMolay International of which Frank S. Land was founder

Nicholas Eugenio, Master Councilor

Dad Justin Prescott, Chapter Advisor

Message from the East:

Brethren:

This month will not be as busy as months prior, but we still have some work to get done and some functions to attend. Please make every effort to attend. We also need to continue to recruit new members. Without new members, DeMolay will slowly fail. You want your friends to have as much fun as you do, so bring them in. Also, you guys need to continue to work on your obligation cards and get them done. I hope you all have a good start to Spring!!

Fraternally,
Nick

Message from the Chapter Advisor:

With March quickly behind us, we now look forward to spring and all the good things that come with it. Warmer weather, longer days, being outside more ... this is surely a great time of year. We have a few events coming up in April that need some attention. First is the 1st degree on April 4th, please make every effort to attend and know your part. Second is the State Basketball Tournament, April 18th & 19th, we need at least 5 guys to show up, I would like all members to be present. Please make the effort to get the time off of work and to try to attend some of the practices. Practices are Sunday nights from 6-8 PM at the Temple Emanuel Building on Main St and Wednesday nights from 6:30 – 8:30PM. If you want to play better as a team, please show up to the practices. I also ask that you please fill out a medical release form and bring it with you to practice. In case you get hurt, we need that form to get you medical treatment. You can download one at www.massdemolay.org/download and you need the General Medical Release Form. Letters of intent are due on April 4th. You need a letter addressed to the advisory council detailing why you feel you should be allowed to run for Master Councilor, Senior Councilor & Junior Councilor. Those interested in running for Master Councilor need to speak with me prior to submitting their letter. I need to give a big congratulations to Matt Viens and Nick Morris for their OUTSTANDING performance at the Lodge of Instruction. I received tons of compliments and you really made me feel proud to be a part of this chapter. Keep up the Good Work!!!

Fraternally,
Dad Justin Prescott
