## Message from the East:

---

I would first like to say good job on our first meeting. It was good for our first time in our new offices, but there is always room for improvements. We have a pretty busy month ahead of us. We have our lock-in on New Year's Eve, some candlepin bowling practices, a North Shore Chapter visitation and the State Double Degree in Worcester. I hope to see you all at these events. With all this snow we have been getting lately, I hope you and your family drive safely and have a happy holiday!!

Fraternally,  
Nick

## Message from the Chapter Advisor:

---

I would like to congratulate everyone on a job well done at our first meeting. Although I was unable to attend, I hear it went well and was well attended. We have a very busy term ahead of us and our work has already begun. I encourage everyone to attend as many of the activities as you can. We have a lot of fun things planned and the more people we have ... the more fun we have. Our New Year's Lock-in is always a good time. Please invite your friends to attend. We will have food, games, football and movies all night long. I look forward to seeing you all after the holidays. On behalf of the Advisors, I would like to wish each and every one of you a Merry Christmas, Happy Hanukkah and Happy Kwanza (I think I got all of them). Be safe and plan for a fun time on December 31st!!

Fraternally,  
Dad Justin Prescott
