Dad Justin Prescott, Chapter Advisor

Message from the East:

Brethren, not much to talk about for this upcoming month, but first I would like to say congratulations to those who participated in the State Basketball Tournament! Great job with bringing home the gold. We started Softball April 26th at Haverhill stadium, and will continue with practices 6-8PM on Sundays as well. We will have practices for the Mothers degree one of these days so on may 9th we can do 2 of them in one day, one in Kingston NH and another down in MA. Thane and myself will be in touch with a date. Then we are holding our own for our own mothers on the 16th so this is a good time to show your mothers how much you appreciate them! I have planned to go for a north shore visit on the 19th of may then the 21st a Middleboro visit which could be canceled due to the drive from Haverhill to Middleboro is very long. Other than that, everyone have a good spring and lets get your Mothers Degree parts down!

Fraternally,
Nick

Message from the Chapter Advisor:

April was a busy month and it went by in a flash. Outstanding job in winning the Basketball Tournament. Softball practices have already started and will continue every Sunday from 6 to 8PM at the Haverhill Stadium. Please make every effort to attend practices. Coming up in May we also have 2 mother's degree on May 9th and the State Awake-a-thon on May 30th. Please make sure you are learning your parts for the Mother's Degree, we will be having a rehearsal on Sunday May 3rd at 4:00 PM, then we will head to softball. I encourage you all to attend the much awaited awake-a-thon, it will be held at the Cedardale Athletic Club in Bradford. Cost is \$25.00 per person. There will be a double degree earlier that evening at our building. We will be having candidates going through that, so I expect everyone to attend. We have also signed up to walk in the American Cancer Society Relay For Life on June 12 – 13 at Northern Essex Community College. The link to our site is <http://main.acsevents.org/goto/jgwhittier>. I expect everyone to join the team web page and start raising money. I have set a team goal of \$1000.00, roughly \$100.00 per person. Ask your friends, family, neighbors for \$5 or \$10, it adds up quick. This is for a worthy cause and will help to get our name out into the community. The advisors met and the following have been approved to run for an elected office:

Master Councilor: Nate Cannata

Senior Councilor: Thane Sanford

Junior Councilor: Sean Ryan

Officers will be elected on May 2nd.

Fraternally,

Dad J. Prescott
