Nathan Cannata, Master Councilor

Dad Justin Prescott, Chapter Advisor

Message from the East:

Hello again brethren :

We've had some good rehearsals lately but we need to have more people showing up. JG has taken a big step and we really have to focus on it, please learn your parts. Also I would like to say Happy thanksgiving and be safe this year

Fraternally yours

Nathan Cannata

Message from the Chapter Advisor:

Another busy month has come and gone. November will be just as busy. We have rehearsals for the 2nd degree, Wreath Work Parties to get ready for our annual fundraiser and more chapter visitations. I would like to thank everyone who has been attending the rehearsals, we need to make sure everyone shows up. This month we also start our Christmas wreath fundraiser. We need to make sure that everyone sells as many as you can. This helps fund the chapter all year long and keeps your out of pocket expenses low. There will be at least 1 work party to get the supplies ready for Dad MacInnis, please make every effort to attend and help out. The more help we have, the sooner we get done and the more fun we have. Calls will be going out to let you know where and when. We also have the Haverhill Santa Parade on November 22nd. We will be marching in it again and I encourage all of you to walk with us. Let's show Haverhill that DeMolay is very much alive in the city. Rumor has it there will be a float for us to ride on, more info will follow. November is going to be another busy month and I hope that you all make the effort to attend as much as you can.

Fraternally,

Dad Prescott
