Message from the East:

My Jedi Brethren,,

I hope everybody had a very enjoyable Christmas and hopefully will have a great New Year to follow. I'd like to thank my installing suite and congratulate all my newly installed officers. I know you'll all do a great job learning your ritual. We had a large attendance for the installation and I'd like to see that carry through the term. We are officially kicking off the term with our annual New Year lock-in which should hopefully start us on the right foot. Along with having a great showing of our own members at the events this year, I also hope to see a great showing of prospects. At the DeMolay Degree we did in Worcester, it sounded like we were being challenged on chapter size, and we know J.G. doesn't back down from challenges.

Fraternally ,

Thane Sanford, Jr.

Message from the Chapter Advisor:

With 2009 coming to an end and 2010 just beginning, I can only see good things in our future. Thane has an action packed term plan that will keep everyone very busy, please support him in every way you can. If you still owe wreath money, please get it in ASAP, we still have bills that need to be paid for supplies. Membership will be a major focus this term. We need to initiate 6 new members this coming year, but why stop at 6. Worcester brought in 12 new members in 2009, I think we can top that!!!! I will have petitions on had starting on the 2nd. Look to neighbors, classmates, relatives, anyone who you think would make a great member and would benefit from what DeMolay has to offer. The councilors are hard at work planning some pretty big events, more information will come out as we finalize the details. If there is any events that you want to do, please talk with them, it's your chapter. I hope everyone had a safe and happy holiday and I look forward to staying up all night with everyone during our lock-in.

Fraternally,

Dad "Master Yoda" Prescott
