This publication acknowledges authority and yields allegiance to DeMolay International of which Frank S. Land was founder

Thane Sanford, Jr., Master Councilor

Dad Justin Prescott, Chapter Advisor

Message from the East:

My Brethren.

As my term comes to an end, it is also sad to say my time as an active DeMolay has also come to an end. I count it as a privilege that I was able to finish my DeMolay career serving JG Whittier Chapter as its Master Councilor. This is truly the best chapter in the state and you should all be very proud of the work that we have accomplished these past 6 months. We have proven to the rest of the state, that we are not just an athletic chapter, but that we can also perform ritual just as good as anyone else. I would like to thank you all for supporting my term and attending all of my events, it really means a lot to me to have such great support. I would also like to thank the advisors and all of their support. Without you, there are no chapter activities. As a new term approaches, I ask that each and every one of you gives your support to our next MC and his events. Sean has a lot of great and new events planned for his term and it promises to be a fun-filled term.

Fraternally ,
Thane Sanford, Jr., MC

Message from the Chapter Advisor:

As we say farewell to another term, we look to the future and see that we have even more great things to come. I would like to personally thank Thane for all his hard work and dedication he has given the chapter, not only these past 6 months as Master Councilor, but for the past 5 years he has been a member. You have shown true leadership inside and outside this chapter. You have truly taken to heart what it means to be a DeMolay and I hope that you will continue to show that for many more years to come. Now with the change in leadership, I can only imagine that the great things our chapter has accomplished will continue under Sean. Sean has been hard at work planning a term that will keep us all very active and create new excitement in the chapter. I ask you all to support his events, come up with new ideas, and most of all, HAVE FUN!!! The summer term is always a fun term as we can do a lot more outside activities. I look forward to this term and all the great things that are in store for us.

Fraternally,
Dad Justin Prescott
