Message from the East:

Dear Brethren,

This past month was involved with visitations from the state to spraying them with Kool-Aid (Higgins). Our next after meeting activity has to do with hunting around Haverhill for information in our city-wide scavenger hunt. So make it to the next meeting for the hunting fun. As well as going around Haverhill, JG will be going around to Lynn to compete in the state basketball tournament this month. With other events happening throughout the month, April should be an enjoyable month for the brothers of JG.

Fraternally,
Nick Morris, MC

Message from the Chapter Advisor:

April is fast approaching. There are still a lot of fun events still to come and I hope that you will all make the very best effort to attend. I also want to challenge all of you on membership. Alex has already brought in 2 petitions and those candidates will be going to the double degree on Saturday, April 2nd. I would like to see as many of you attend as possible, this is for YOUR chapter. After the double degree we will return to have our own regular meeting. Because of issues trying to locate a place to hold basketball practices, we will not have as many as we usually do. By the end of the week, I will have a place lined up and calls will go out to everyone detailing time and place. It is VERY important that you attend as many as you can. Also, Letters of intent are due April 2nd to run for elected office. I look forward to seeing you all Saturday.

Fraternally,
Dad Justin Prescott

I was disappointed that no one from JG Whittier Chapter attended Congress on March 5th. It is important to have representation at an event like this that can change the way Massachusetts DeMolay is run in the future. If you are planning on running for a Councilor or are one that expects to progress, it is expected that you attend Congress and Conclave to represent your Chapter.
