Message from the East:

Hello brethren,

So far communication has been going well and there has been decent numbers of attendance at events so far. Let's keep this up and those guys who aren't as active, start coming to events. The more everyone shows up the more fun each event shall be and you'll want to go to all events that you are available for. I want to stress to everyone to start learning your 1st degree ritual because our next meeting, we WILL be doing the 1st degree. Our next meeting is the 3rd Saturday of the New Year, so there is still plenty of time to learn your parts. All else that there is to be said, Happy New Year!!!

Fraternally,
Nick Morris, MC

Message from the Chapter Advisor:

Now that the Holidays are over, we look ahead to yet another busy month. There is no meeting January 1st as it is New Years, our next meeting is January 15th and we will be performing the 1st degree. Nick has already assigned parts and I hope that you all are learning them. Any wreath money needs to be turned in at any chapter event. We need this money to help pay our bills that we have. Continue to work on getting new members, If you enjoy coming to DeMolay, more often than not, your friends will too!

Fraternally,
Dad Justin Prescott
