Message from the West:

Brethren

It's the start of a new term and some great times lie ahead. There are some exciting new events coming up like paint ball and other fun summer time activities. As you may know we have lost some of our older members to out of town colleges which means it's time to bring in some new members. The more people we have the more fun it will be. The softball tournament is coming up in July and we will be having our practices every Sunday at 6 pm at Haverhill stadium. Be sure to tell your friends about us and help the chapter grow.

Fraternally yours,
Eric Pomer, SC
MC-Elect

Message from the Chapter Advisor:

Yet another term has come to an end. I would like to take this opportunity to congratulate Nick on a fine term. It's not easy being Master Councilor and you served us proud. With a new term upon us, we have new ideas and new events. I've been working very closely with Eric on his term and he has a bunch of GREAT ideas for activities that will no doubt be fun and entertaining. I encourage you all to participate in as many events as you can, it will only make the event that much better. I look forward to this term and hope that you all have a great summer and look forward to seeing you all very soon.

Fraternally,
Dad Justin Prescott

Please make every effort to attend the Installation on June 4th. This will be the last meeting before the summer break. Your support is needed to make the Installation a success and support our new line of officers. Please bring your families and friends!!!! See you on Saturday, June 4th!!!!
