Message from the East:

Brethren,

Hope everybody had a great summer. We've got a great term ahead of us and as always were looking for new faces to show up. We've got a paintball event coming up soon, invite your friends and introduce them to DeMolay. Every person counts so make sure you show up and join in on the good times ahead. Can't wait to see you guys again.

Fraternally yours,
Eric Pomer, MC

Message from the Chapter Advisor:

I hope that everyone had a great summer. Now it's time for us to head back to work and start a new DeMolay season. You are going to see a lot of changes occur over the next several months. Our main focus this fall is membership. As many of you know we lost 5 guys to college, that's a large amount! As a chapter we need to be 100% focused on how we can obtain more members, talk to members who haven't shown up and find out why and talk to older members asking for assistance. We are in a rebuilding stage in the chapter and all of us play an important role in that. Eric and Jake both attended LTC this year and I am looking forward to the new and exciting things that they will bring back to the chapter to help us. I look forward to seeing you all on September 17th.

Fraternally,
Dad Justin Prescott

Membership is the life blood of every organization. Leaders are powerless with out the loyal help of their members. Empower your leaders by going out and bringing some friends into DeMolay. I have heard over the years from people that I know the words, "No one ever asked me to join DeMolay". Don't let your friends say that years from now!! Go out and ask them to join!!!!
